

LANXESS Deutschland GmbH / 50569 Cologne, Germany

To whom it may concern

Food Contact Statement

Lewatit®

With respect to Europe

Regulation (EC) 1935/2004 (Framework Regulation)

We hereby confirm that the above-mentioned product, when used and preconditioned according to the manufacturer's instructions, meets the relevant requirements laid down in Regulation (EC) No 1935/2004 of the European Parliament and of the Council of 27 October 2004 on materials and articles intended to come into contact with food and repealing Directives 80/590/EEC and 89/109/EEC.

Regulation (EU) 10/2011 (Plastics Regulation)

Please be informed, that ion exchange products are explicitly excluded from the scope of the European Plastics Regulation.

Council of Europe Resolution ResAP (2004)3

Above mentioned Lewatit® product is manufactured in accordance with a certified Quality Assurance System and in accordance with the recommendations of the Resolution ResAP (2004)3 of the Council of Europe on ion exchange and adsorbents resins used in the processing of foodstuffs. Particularly only substances are used for manufacturing which are listed in the technical document no. 1 of the Resolution.

Commission Regulation (EC) 2023/2006 (GMP)

We inform you that the production of the above-mentioned product is systematically reviewed with regards to good manufacturing practice (GMP) using the ISO 9001 system as well as our internal HACCP system, and following the Cefic SOIA internal guideline specifically dedicated to GMP. Therefore we can state that the above-mentioned product meets the relevant requirements laid down in Commission Regulation (EC) 2023/2006.
